

BSIP/RDCC/2017-(6)

Date May 1, 2017

MOST URGENT NOTICE

I have been instructed to convey to each scientist about an important presentation to be made by the Director to the DST. For this every scientist is expected to make single slide PPT elaborating what one considers as the most important scientific research contribution made by them in the last three years. Slide should not be too cluttered. Along with this individual slide, a half page write-up in DOC format giving the significance of research is also to be provided.

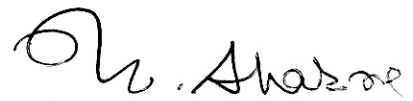

Please save your presentation and text in following format.

<first name_surname.ppt> example aaaaaa_bbbbbb.ppt

<first name_surname.doc> example aaaaaa_bbbbbb.doc

Ensure these two items are delivered in the mail box of the Director (director@bsip.res.in) by 3 PM today.

This has the approval of the Director.

Dr. Mukund Sharma
RDCC
