

BIRBAL SAHNI INSTITUTE OF PALAEOSCIENCES, LUCKNOW

No. BSIP/Registrar/2017/L-1439

March 15, 2017

OFFICE MEMORANDUM

The following decisions have been taken in the 151th Governing Body Meeting held on November 29, 2016 in BSIP. All scientists of the Institute are requested to ensure the following:

1. All scientists must increase their research output, both qualitatively and quantitatively. At least two research papers per year in SCI Journals should be published by each scientist.
2. All scientists should update their CVs every six months and positively before the date of every increment i.e. July 01.
3. All scientists should have at least one sponsored project each as this will not only expose them to competitive research funding by the various agencies but will also ease the financial crunch often faced by the Institute.

This has the approval of the Director.

(Sanjay Kumar)
Registrar
