No.IV-BSIP/SA-Consultancy/2021-22/L-1672

दिनांक/Dated: 14.3.2022

NOTIFICATION

In partial modification of Notification No.IV/BSIP/SA-Consultancy/2021-22/1285 dated July 08, 2021 has approved the revision of charges for **Isotope** and **AMS C-14 Dating** analysis w.e.f. **July 05, 2021** till further orders as contained in Schedule 'J' under Bye-laws 31.1 as given below:

Isotopes Analysis:

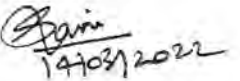

AMPLES	For Indian Customer/ Non Industry		For Industry		Foreign Customers	
	Rate	Rs.)	*Taxes	Rate (Rs.)	*Taxes	USD
Proposed rates for C, N isotope in natural soils, sediment	2000		18% GST	3000	18% GST	30
Proposed rates for CNS isotope in natural soils, sediment	3000		18% GST	5000	18% GST	40
Proposed rates for C&S isotope in anoxic mineral phases such as pyrrhotite, chalco-pyrite, metal sulphides etc.	5000		18% GST	7000	18% GST	60

AMS C-14 Dating Analysis:

AMPLES	For Indian Customer/ Non Industry		For Industry		Foreign Customers	
	Rate	Rs.)	*Taxes	Rate (Rs.)	*Taxes	USD
Proposed rate for AMS C-14 dates	14000		18% GST	17500	18% GST	250

*As applicable for time to time (however the current applicable rate is 18%)

The above charges are hereby implemented with immediate effect.

NOTIFICATION

In partial modifications of Notification No. BSIP/SA/2021-22/Consultancy/L-739 dated October 11, 2021, the Competent Authority has approved for revision of charges for sample processing of *Laser Raman Spectroscopy* and *Confocal Laser Scanning Microscopy* as contained in **Schedule 'J'** under **Bye-laws 31.1** as given below:

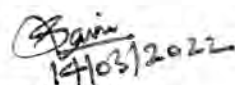

REVISED ANALYSIS CHARGES FOR LASER RAMAN SPECTROSCOPY

Nature of Sample	Revised Charges		
	In house users (Sponsored Project/Inspire /CSIR Fellow)	External students, Academic Research Institutions/ Organizations (CSIR Labs, IITs,) and Govt. Universities	Others (Private industries, Research Institutions, Universities and laboratories, etc.)
Raman Spectra	Rs. 1000 (for 04 spectra per sample) and Rs. 1300 per subsequent specimen + 18% GST	Rs. 3000 (for 04 spectra per sample) and Rs. 500 per subsequent spectra in same sample + 18% GST	Rs. 8,000 (for 04 spectra per sample) and Rs. 800 per subsequent spectra in same sample + 18% GST
Raman spectra with imaging	Rs. 2000 (for 04 spectra) + 18% GST	Rs. 5000 (for 04 spectra per sample) and Rs. 500 per subsequent spectra in same sample + 18% GST	Rs. 10,000 (for 04 spectra per sample) and Rs. 500 per subsequent spectra in same sample + 18% GST
Raman spectra with Confocal microscopy	Rs. 2500 (for 04 spectra) + 18% GST	Rs. 8000 (for 04 spectra per sample) and Rs. 500 per subsequent spectra in same sample + 18% GST	Rs. 15,000 (for 04 spectra per sample) and Rs. 500 per subsequent spectra in same sample + 18% GST

REVISED ANALYSIS CHARGES FOR CONFOCAL LASER SCANNING MICROSCOPY

Nature of Sample	Revised Charges		
	In house users (Sponsored + Project/Inspire /CSIR Fellow)	External students, Academic Research Institutions/ Organizations (CSIR Labs, IITs,) and Govt. Universities	Others (Private industries, Research Institutions, Universities and laboratories, etc.)
Petrographic Thin section Palynological slides (fossil)	Rs. 1000 (for 04 specimens) and Rs. 300 per subsequent specimen + 18% GST	Rs. 5000 (up to 04 specimen) and Rs. 1300 per subsequent specimen+ 18% GST	Rs. 8,000 (up to 04 specimen) and Rs. 2200 per subsequent specimen + 18% GST
Palynological slides (living material)		Rs. 6000 (up to 04 specimen) and Rs. 1800 per subsequent specimen + 18% GST	Rs. 10,000 (up to 04 specimen) and Rs. 2800 per subsequent specimen + 18% GST

GST will be applicable as per rate applicable at the time of billing. (However the current rate is 18%).
