A NATIONAL WORKSHOP ON

"From Fossils to Future:
Palaeobotanical Insights into Climate Change"

3 – 5 December 2026 | **11 a.m. to 6 p.m.**

Organised by
The Palaeobotanical Society, Lucknow
in collaboration with
Birbal Sahni Institute of Palaeosciences (BSIP), Lucknow

WORKSHOP HIGHLIGHTS

- Keynote addresses and expert lectures from leading voices in the field
- Technical sessions on fossils, pollen-spores, NPPs and other biotic proxies, palaeovegetation, palaeoclimate and climate reconstruction
- Hands-on demonstrations with fossil and palaeobotanical specimens
- Interactive scientific sessions designed for active participant engagement
- **Panel discussion:** ***"Palaeobotany for Climate Resilience and Sustainable Futures"***
- Visit to BSIP Museum – a rich repository of fossils

VENUE

Main Auditorium
Birbal Sahni Institute of Palaeosciences (BSIP), Lucknow

FIELD EXPOSURE & HERITAGE VISIT (5 December 2026)

- Field exposure at **Kukrail**
- Visit to selected heritage sites and museums in Lucknow

WHO MAY PARTICIPATE?

Scientists, Professors, Academicians, Research Scholars, Post-doctoral Fellows, Students and anyone interested in palaeobotany, palaeoclimate and climate change.

REGISTRATION FEES

Scientists / Professors / Academicians	₹ 1,500/-
Early career researcher (pursuing PhD, PhD, Post doc)	₹ 1,000/-
Students (Graduation, Post Graduation)	₹ 700/-
Enthusiast in Palaeobotany	₹ 500/-

Registration fees include registration kit, lunch and certificate.

REGISTRATION TO BE DONE USING GOOGLE FORM LINK BELOW
https://forms.gle/5K6RYdF94FL4Kiva7

Extended Deadline: 30 November, 2026

Outside participants from Lucknow for accommodation may contact for details:
Dr Shilpa Pandey, Scientist-E, BSIP
(Convener & Joint Secretary, Palaeobotanical Society)
