

NOTE

International Fossil Day, 16th October 2019

As per consent of the Director, Birbal Sahni Institute of Palaeosciences and the Palaeontological Society of India are jointly organizing the **International Fossil Day** on 16th October, 2019. An outreach activity has been planned on this occasion. Interactive lectures will be delivered for the invited college students and BSIP staff members. Museum and laboratory visits are also part of this activity.

Following scientists have consented to deliver the lectures on the under mentioned topics:

Dr. Ratan Kar	Coal forming vegetation
Dr. Rajesh Agnihotri	Dating Techniques to calibrate age of rocks
Dr. Santosh Shah	Dendrochronology
Dr. Anumeha Shukla	Antiquity of Sweet potato and Mango
Dr. Niraj Rai	Who are we?
Dr. Anjali Trivedi	Archaeobotany

Venue: Main Auditorium
Time: 11:00 AM – 1:00 PM

Interested staff members are welcome to join this outreach activity.
